**Earn With  
Every Case.**

Refer internationally. Get rewarded locally.

ClearPath Aligners is expanding its global footprint – and we want our trusted doctors to grow with us.

Through the ClearPath International Referral Program, when you refer a clinic, distributor, or dental professional outside Pakistan, you earn a direct share of the revenue generated from every case they submit.

## How it works

You refer an international contact

They onboard with ClearPath

Cases get submitted & processed

You earn a commission on every case

## What's in it for you

- Competitive revenue share on all referred international cases
- Passive income stream with no operational involvement required
- Direct relationship with the Business development team – no middlemen
- Transparent monthly reporting on your referral's case volume and your earnings

## Who can participate

Any ClearPath-registered doctor with an international professional contact colleague, peer, conference connection, or former classmate abroad.

## Terms

- Program governed by a signed referral agreement
- Commission applicable for the lifetime of the referred account
- Minimum case threshold applies for activation
- Subject to ClearPath standard partnership terms
