

Awareness that **Inspires,**
Training that **Transforms**

Introduction

ClearPath Institute, established in **2020**, stands at the forefront of dental & medical education, committed to cultivating excellence among emerging dental, medical professionals and technical personnel. By pioneering advanced **CAD/CAM** Clear Aligner Technology training, ClearPath empowers its trainees with state-of-the-art expertise essential for today's evolving dental landscape.

Beyond education, the ClearPath Institute boasts a cutting-edge Mobile Dental Clinic—a fully equipped dental facility on wheels—dedicated to delivering complimentary oral health services, awareness programs and screenings. This initiative primarily serves students, faculty members & staff across schools, colleges, universities and extends vital care to remote communities, embodying ClearPath's commitment to social responsibility and inclusive health.

Vision

ClearPath Institute envisions a future where groundbreaking dental & medical education and universally accessible oral healthcare converge to uplift communities globally, setting new standards of excellence in dentistry and driving sustained innovation for generations to come.

Mission

Our mission at ClearPath Institute is to inspire and equip dental & Medical professionals with groundbreaking technological expertise while fostering equitable access to oral healthcare through education, outreach, and community engagement.

Founder & CEO

ClearPath Institute Message

A Vision for Transformative Dental & Medical Education

As both Founder and Chief Executive Officer of ClearPath Institute—the preeminent subsidiary of ClearPath Orthodontics—I stand at the helm of an institution that has redefined the boundaries of dental and medical education since its inception. Our journey has been nothing short of transformative, positioning us as architects of change in the field. We are not merely educators; we are pioneers in advanced training for cutting edge CAD/CAM Clear Aligner Technologies, empowering professionals with next-generation proficiencies that ensure they excel in an ever-evolving dental ecosystem. Our pedagogical models transcend traditional learning, embedding augmented reality simulations for precision diagnostics, predictive AI analytics for treatment personalization, and blockchain-certified credentialing for global accreditation.

Our responsibility extends beyond education; it is a commitment to societal transformation. Through ClearPath's Global Oral Health Initiative, we have engineered mobile smart clinics equipped with IoT-enabled diagnostics to serve underserved populations, developed a digital-first platform that democratizes access to elite dental mentorship. This is not merely an institution; it is a movement, and we invite you to co-author the future with us, where education meets execution and vision materializes into impact. Together, let us set the gold standard in dental and medical education.

With unwavering resolve,

Dr. Waqas Wahab

Founder & CEO ClearPath Orthodontics/Institute
International Speaker & Trainer | Clear Aligner Technology
Key Opinion Leader (KOL)—Henry Schein Orthodontics

Senior Director

ClearPath Institute Message

A Vision for Transformative Dental & Medical Education

As a founding member of the ClearPath Institute, it is with immense pride and enthusiasm that I reflect on our journey and aspirations since our inception in 2020. ClearPath Institute stands resolutely at the vanguard of dental and medical education, committed to fostering excellence among the next generation of dental and medical professionals, as well as technical personnel.

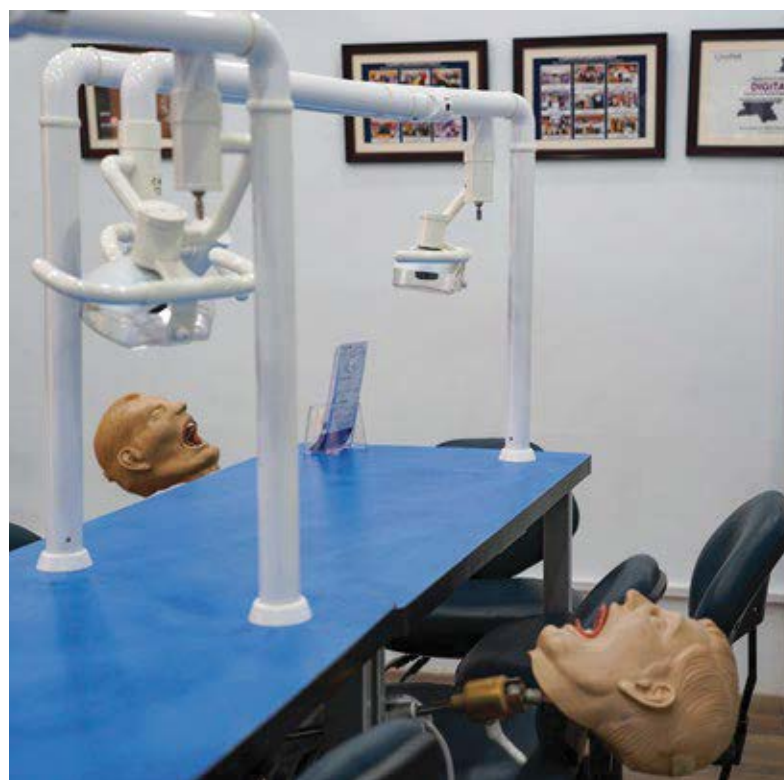

In our unwavering commitment to innovation, we have pioneered advanced training in CAD/CAM Clear Aligner Technology, equipping our trainees with the cutting-edge expertise that is indispensable in today's rapidly evolving dental landscape. Our educational initiatives are meticulously designed not only to enhance professional competencies but also to cultivate a culture of continuous learning and adaptability.

In addition to our educational pursuits, we are proud to unveil our state-of-the-art Mobile Dental Clinic—a fully equipped dental facility on wheels. This initiative is dedicated to providing complimentary oral health services, awareness programs, and screenings. Our Mobile Dental Clinic primarily serves students, faculty members, and staff across educational institutions, while also extending vital care to marginalized and remote communities. This commitment embodies ClearPath's dedication to social responsibility and inclusive health, ensuring that quality dental care is accessible to all.

As we continue to advance our mission, we cordially invite you to join us in this transformative journey. Together, we can redefine the landscape of dental and medical education and healthcare, paving the way for a brighter, healthier future for all.

Warm regards,
Dr. Tahir Mahmood
Senior Director
